Vendor spaces are available for \$50.00 for each 10X10 space for the 2 day show. **We do not accept vendors for one day only.** The show is held inside the retail greenhouse which is open-roofed and attaches to the main sales area of Sunnycrest. The area is well ventilated for warm weather and roofs are closed and heated for inclement weather. The vendor spaces are kept secure at night so vendors do not need to break down displays for the Saturday overnight period. Please bring everything you need to do business (tax numbers/permits, tables, chairs, canopies, extension cords)
We highly suggest you bring canopies and pop ups to offer shade, protection from condensation, and space definition.

Spaces are reserved on a first PAID basis. If you request a special space please do so early or if you need electricity please request it on the application. Since we only have room for 50 vendors we reserve the right to limit and/or refuse vendor applications to create a varied show. Deadline for Holiday Market Place application is September 1st 2018.

After this date please call before down-loading and submitting the application to ensure there is space available. Should the show be filled before this time, we will post it on the Sunnycrest Orchards web site.

Food will be available for purchase during the show. The show does not charge admission to the public. We have plenty of parking available for our customers in front of the business. The front parking lots will be reserved for customer parking only. Vendors will be parked in the parking lots behind the greenhouses.

Questions can be directed to Laurie Schmitt during our business hours 9-5pm daily at:
